No 6136/22-012-153

The Embassy of Ukraine in the Republic of Moldova presents its compliments to the Ministry of Foreign Affairs and European Integration of the Republic of Moldova and has the honour to inform about the following.

The State Customs Service of Ukraine performs customs procedures in order to facilitate the import of some groups of products without implementation of non-tariff regulations, excepting the products that inquire a special allowance of the State Service of Export Control of Ukraine.

Nevertheless, some products may be due to other control procedures according to the legislation of Ukraine. In particular, the customs officers may check, together with transport documents, the international veterinary, sanitary and other certificates in original, issued by the country-exporter.

Therefore, the State Customs Service of Ukraine kindly asks the exporting companies to provide their products to Ukraine with the appropriate abovementioned documents in order to facilitate the procedure of customs control.

The Embassy would appreciate the esteemed Ministry to forward the abovementioned information to all parties concerned.

The Embassy of Ukraine in the Republic of Moldova avails itself of this opportunity to renew to the Ministry of Foreign Affairs and European Integration of the Republic of Moldova the assurances of its highest consideration.
